

Shape your future: earn the industry's leading real estate qualification

Fast-track your career with the only accredited certification in the non-listed real estate sector.

Get qualified with the INREV Academy Certificate

Work towards the INREV Academy Certificate and give yourself a professional edge.

In collaboration with the prestigious Henley Business School at the University of Reading and the University of Maastricht, this programme is designed to give you the flexibility to advance your career while balancing your work life.

Choose one of two specialised pathways and gain hands-on, practical training in the latest industry trends and innovations. We provide the foundational knowledge and skills you need to stay ahead in a fast-moving professional landscape.

Looking to stand out in a competitive market? This certificate is your key to unlocking new opportunities and staying ahead of the curve.

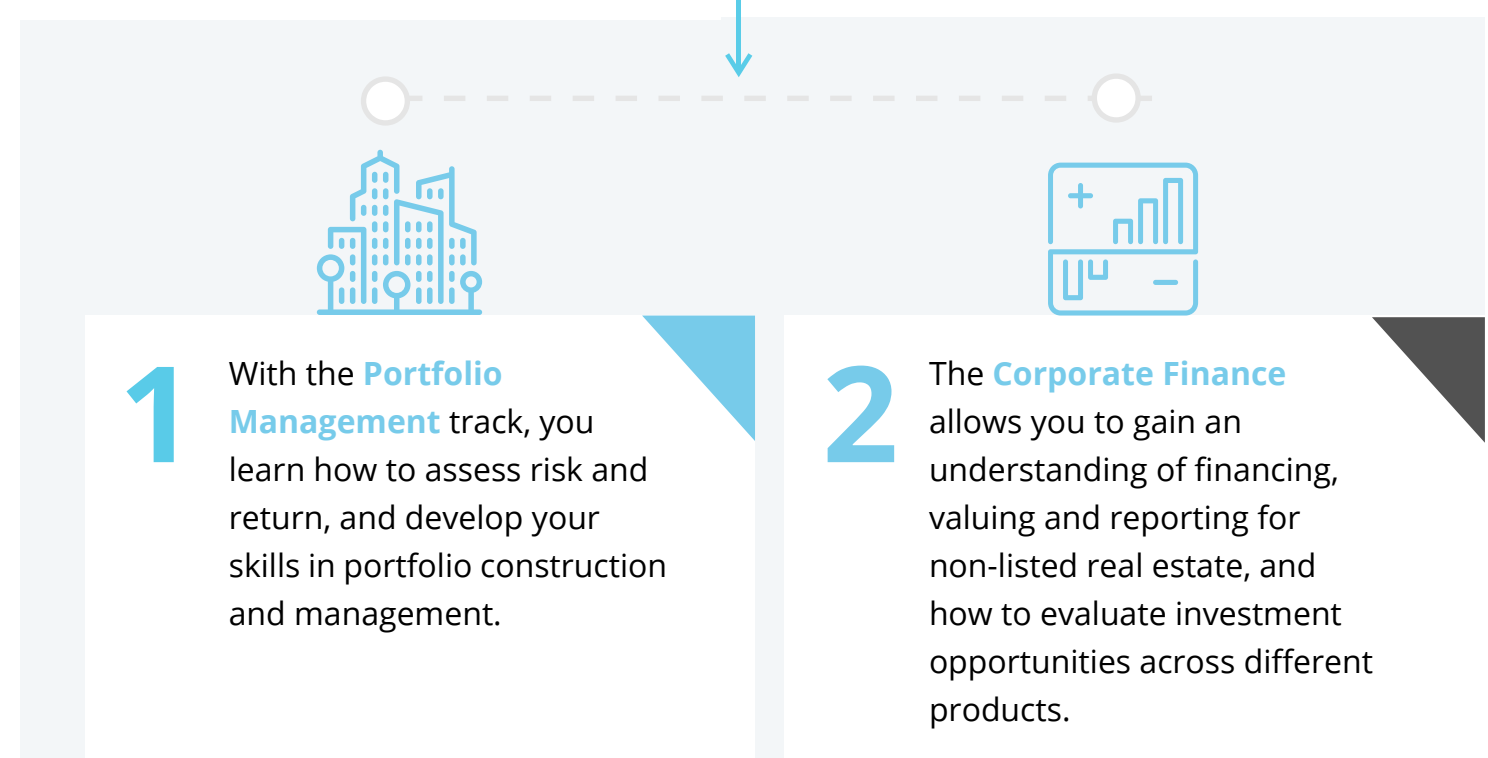

Follow one of two learning paths

With our qualification, you choose one of two learning paths, giving you a choice in how to tailor your progress towards the certificate.

'This certificate allows members to stand out as they move forward in their career. It gives you the upper hand in an increasingly competitive world.'

Martin Lemke, AM alpha
Kapitalverwaltungsgesellschaft

For each path, you need to complete three mandatory and two electives courses before undertaking a final written assessment supervised by Maastricht University and the Henley Business School within 36 months.

Quality is assured

Uncompromising quality, real-world expertise

Quality is at the heart of every INREV Academy training course in our certificate programme.

With this certificate, you demonstrate practical, hands-on knowledge, using real-world examples and case studies. The collaboration with two universities adds valuable academic insight'.

Stan Bertram, PGGM

You'll learn from top-tier professionals in the European real estate industry—experts who not only excel in their fields but are also passionate about sharing real-world insights and best practices.

This practical, hands-on knowledge is seamlessly integrated with the academic excellence of Henley Business School and the University of Maastricht. These institutions oversee the final written assessment, where you'll sharpen your analytical, qualitative, and writing skills to cement your learning.

'At GARBE Institutional Capital, we ensure our colleagues have room to learn and grow on the job and through training. The Academy Certificate is one of the cornerstone initiatives for this - providing a good grasp of the industry "big picture" and the technical knowledge to successfully manage institutional funds. No matter what role you occupy: this training is certainly worthwhile!'

Thomas Kallenbrunnen, GARBE Institutional Capital

'Working with INREV to create this Certificate has been a pleasure. Six? years on, we're thrilled to have Maastricht University onboard. After five courses, attendees complete a final assignment, blending their practical insights with academic research and innovative thinking. It's the perfect combination for anyone looking to fast track their career.'

Gianluca Marcato, Henley Business School

'With a growing number of attendees, it's the perfect time for Maastricht University, the European University of the Netherlands, to join INREV and Henley Business School in delivering the Academy Certificate. Now, real estate professionals earn recognition from not one, but two academic institutions, ensuring high-quality, impactful learning.'

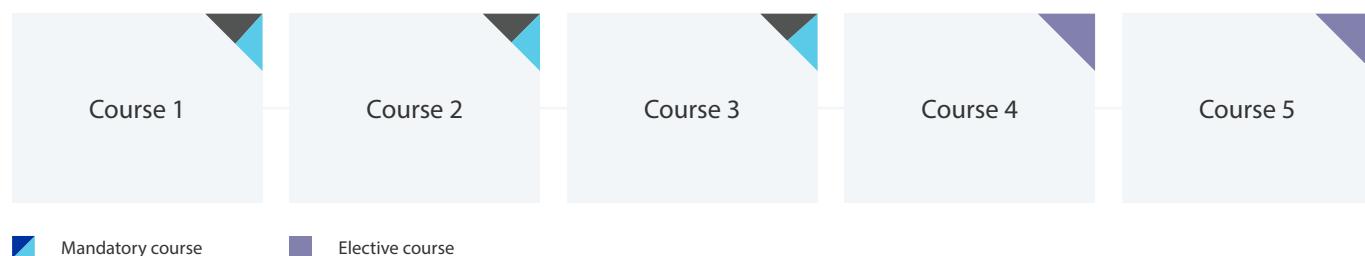

Nils Kok, Maastricht University

To qualify for the certificate
